Plan your Perfect Wedding

LET BORGE HELP YOU ORGANISE THE PERFECT WEDDING DAY

We offer *Standard*, *Deluxe* and *Platinum* packages that can be fully customised to ensure your day is fully suited to you and your budget. You can choose to host your wedding on a daytime or evening, or both. It's your wedding, it's your choice, and we are here to help you through the big day.

You will have a dedicated and experienced point of contact throughout the planning process to ensure an effective line of communication that is always on hand to help you.

Reception

Available from the moment your wedding ceremony closes - the Borge Function Room is the perfect wedding venue, able to accommodate from 70 to 130 guests. With a recent refurbishment, the room decor is both modern and tasteful, and it boasts an excellent sound system, private bar and outdoor courtyard with seating and heaters. Furthermore, being Borge, we can offer excellent catering options.

An excellent array of packages are available from only £1025 for 70 people, including hot food buffet, room hire and DJ. We've been catering for large parties and weddings for 30 years so you can be assured your special day will run smoothly from start to finish.

Also - the function room venue is ideal for the renewal of wedding vows or for that big party following a wedding abroad.

Wedding Breakfast

The Wedding Breakfast is a significant part of your ceremony, being the first meal enjoyed as a married couple. This traditional feast symbolises the bride and groom 'breaking their fast', when fasting was tradition before the ceremony in older times. We provide allocation for up to 70 guests with exclusive use of the Borge restaurant and facilities. Tables are furnished with white linen and the room can be fully customised to suit your wishes.

If you prefer, you can go straight to the function room following your ceremony.

PLEASE NOTE: IN-HOUSE CATERING IS ONLY PERMITTED IN THE BORGE FUNCTION ROOM

Wedding Breakfast

Enjoy your wedding breakfast at our Borge restaurant, where our team of experienced chefs will prepare a feast of excellent quality food. We have been catering for weddings and large parties for over 30 years, so you can be assured your big day will run perfectly.

After the meal move next door to our function room to party the night away - and book one of our evening packages.
